Every year, I wonder how it's possible that it is already time to plan for the festive season but this year even more so. 2020 seems to have sped through like a whirlwind leaving a trail of destruction and uncertain times ahead, on the other hand the importance of spending quality time with loved ones this Christmas may be all the more poignant albeit in smaller groups.

Please see enclosed our order form for Noahs Arc Turkeys, Greenfield Pork, Chalke Stream Smoked Trout and Fruit and Vegetables. We have also secured a limited supply of premium standard Nordmann Fir Christmas trees which are available to pre-order for collection from 11th December.

Thank you all so much for your continued support and we wish you all a very safe and Happy Christmas and that 2021 brings us all new hope.

Nicky and Andy
